WELCOME TO VARESE, IN THE HEART OF THE VARESE VALLEYS

Varese is a precious land, a mix of culture, nature, and sport. Here everyone can choose to live their daily commitments in one of the richest provincial capitals in terms of culture and entertainment, but also leave the city behind and immerse themselves in the surrounding nature.

The Estensi Gardens, in the heart of Varese, represent the perfect meeting point for all citizens and guests. As well as the Campo dei Fiori Park, where inside is the Sacro Monte of Varese, which is part of the nine pre-Alpine Sacred Mountains UNESCO World Heritage.

HOW TO GET TO VARESE

Thanks to its geographical location, Varese is a destination that is easily accessible from both Italy and abroad. Here you will find all the information on how to reach the heart of our **Race Village** at the **Giardini Estensi** and the start area.

BY CAR

Varese is easily accessible by car thanks to the A8 and A9 highways. Follow the signs for Varese from the nearest highway exit.

Parking is available near the event area.

BY TRAIN

The Varese train station is well connected to major Italian cities. From the station, you can reach the event area by bike or take a taxi.

BY PLANE

The nearest airports are Milan Malpensa (MXP) and Milan Linate (LIN). From there, you can take a train or rent a car to get to Varese.

Number collection and race pack distribution will take place at the
Race Village of the **Giardini Estensi, Via Sacco 5.**

SATURDAY, OCTOBER 3
FROM 9:30 A.M. TO 6:00 P.M.

SUNDAY, OCTOBER 4
FROM 7:00

The number can be collected personally upon presentation of
an original identity document of the participant.

For registered members, it is mandatory to
present the federal card (FCI/UCI/Enti della Consulta). Photocopies
or other types of documents are not allowed.

COLLECTIONS BY THIRD PARTIES ARE NOT ACCEPTED.

ONECHIP

Timing will be carried out by EvoData with technology based on the use of
"chips". To be detected and classified, the athlete must be equipped with
their enabled OneChip

HOW TO POSITION THE CHIP: The chip must strictly be positioned (without
any tampering) according to the mounting instructions under the bike
saddle with the appropriate self-tightening ties.

At the time of collecting the race pack, those who do not have their own
chip can purchase it at a cost of €30 or rent it at a cost of €5 by paying a €10
deposit. Return of the rented chip at the EvoData stand at the entrance to
the Race Village.

GRAVEL RACE COURSE

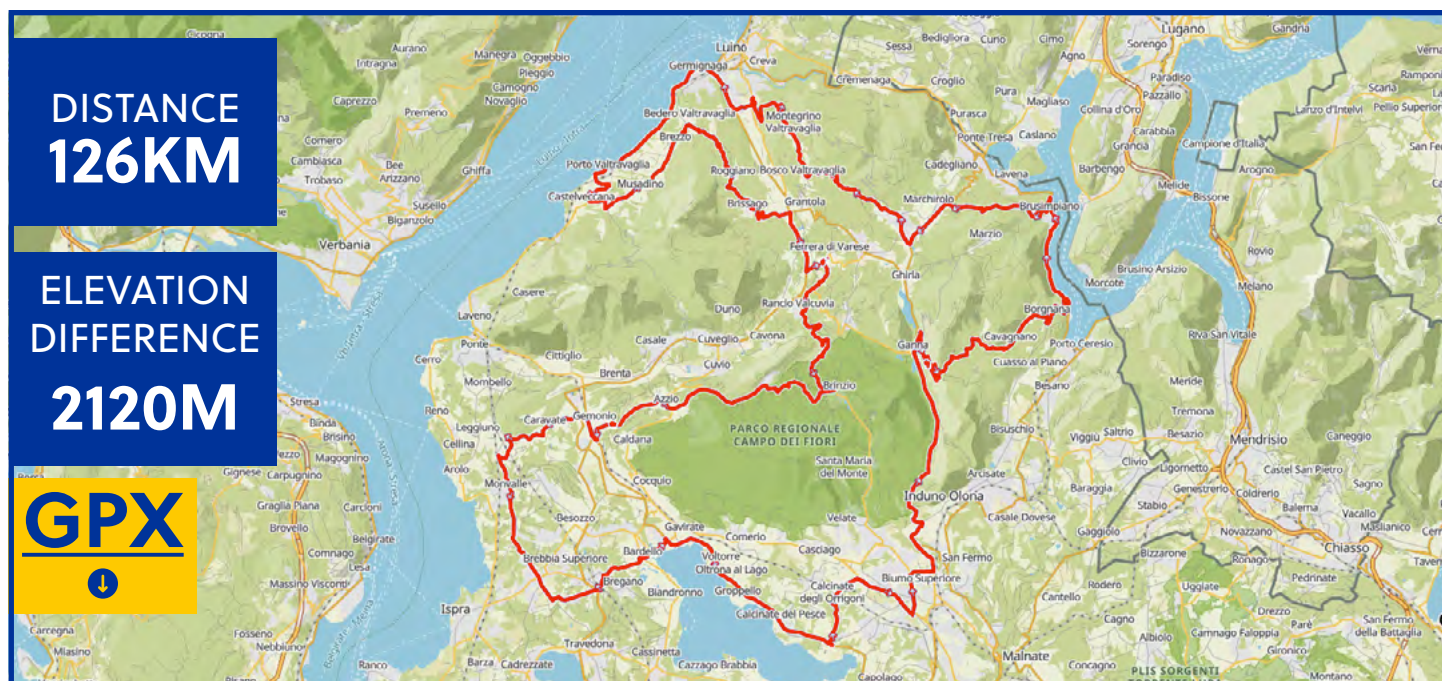

TIMED SEGMENTS AND GRAVEL EXPERIENCE COURSE

3-4
OCTOBER 2026

GRAN FONDO COURSE

The Gran Fondo starts in front of the Varese Town Hall on Via Sacco, heading towards Induno Olona and Valganna. The first climb you will face is the ascent to Alpe Tedesco; from the summit, you will descend through Cuasso al Monte down to Porto Ceresio. At Brusimpiano, it is time to tackle the Ardena climb up to the Sanctuary of Madonna di Ardena, before continuing towards Marchirolo and Cugliate Fabiasco.

At Montegrino Valtravaglia, you will turn towards Luino, Germignaga, Brezzo di Bedero, Porto Valtravaglia, and Castelveccana. From there, the route continues through Porto Valtravaglia, climbing towards Brezzo di Bedero, before descending again towards Brissago-Valtravaglia and Mesenzana.

From Mesenzana, the route proceeds into the municipality of Cassano Valcuvia, then climbs towards Ferrera di Varese, Masciago Primo, and Rancio Valcuvia before reaching Brinzio.

Continuing through Castello Cabiaglio, Orino, and Azzio, you will descend the switchbacks of Gemonio and pass through Caravate, Sangiano, Monvalle, Besozzo, Brebbia, Malgesso, Bardello, and Gavirate, where you will ride along the shores of Lake Varese to Schiranna. Here, you will need to summon one last effort from your legs for the final climb back to the Varese Town Hall, with the finish line located on Via Sacco, right in front of Palazzo Estense.

MEDIUM-DISTANCE RACE COURSE

The Medio Fondo starts at the same time and location as the Granfondo: in front of the Varese Town Hall on Via Sacco. You will ride towards Induno Olona and Valganna, tackling the Alpe Tedesco climb alongside your fellow competitors, before descending through Cuasso al Monte and arriving in Porto Ceresio. At Brusimpiano, you will begin the ascent of Ardena up to the Sanctuary of Madonna di Ardena, continuing from there towards Marchirolo and Cugliate Fabiasco.

At Montegrino Valtravaglia, the two routes diverge; the Medio Fondo continues downhill to Grantola and on to Mesenzana, where the routes rejoin.

From Mesenzana, the course is once again shared, passing through the municipality of Cassano Valcuvia before climbing towards Ferrera di Varese, Masciago Primo, and Rancio Valcuvia, eventually reaching Brinzio.

Continuing through Castello Cabiaglio, Orino, and Azzio, you will descend the Gemonio switchbacks and ride through Caravate, Sangiano, Monvalle, Besozzo, Brebbia, Malgesso, Bardello, and Gavirate, where you will skirt the shores of Lake Varese as far as Schiranna.

Here, the final climb awaits, leading you back to the Varese Town Hall to cross the finish line in front of Palazzo Estense.

WATCH OUT FOR THE GATE.

The cutoff point will be located at Bosco, Montegrino Valtravaglia (junction between the Granfondo and Mediofondo routes).

**ANYONE PASSING THIS POINT AFTER 12:00 PM
MUST OPT FOR THE MEDIOFONDO ROUTE.**

END OF THE RACE

The vehicle displaying the "END OF CYCLING RACE" sign marks the end of the road closure to traffic.

The organizers do not guarantee road monitoring beyond the maximum time limit authorized by local authorities.

Riders overtaken by the "End of cycling race" vehicle will continue the event as recreational cyclists, thereby complying with traffic regulations, while still displaying their race numbers and remaining officially ranked in the standings.

END OF EVENT

- Refreshments for celiacs: Piazza Montegrappa
- Backpack pickup: Giardini Estensi
- Showers: Municipal Swimming Pool, Via Copelli
- Bike storage: Giardini Estensi

PASTA PARTY

Sunday, October 5, starting at 12:00 PM
at the Giardini Estensi in Varese, Via Sacco.

TECHNICAL SUPPORT

Mobile support involves the use of vehicles equipped for wheel changes. The cost of spare parts is to be borne by the participant receiving assistance.

A sweep service is provided to collect cyclists and bicycles. Private support cars and motorcycles are strictly prohibited. This applies to both Saturday and Sunday at the Race Village.

FEED ZONE – GREEN ZONE

A "Green Zone" is provided at every refreshment station, where runners can dispose of supplements, plastic, and general waste. Organizers will disqualify any runners who discard trash outside these designated Green Zones.
